Hey there.

[Product Name]

[Your Name] here.

[Product Name]

And today i have a huge shortcut to success to share with you!

[Product Name]

To be more specific,
i’d like to show you..

[Product Name]

right now..

[Product Name]

how to maximise conversions, leads and sales in your business..

[Product Name]

and plug your leaky website that is constantly leaving money on the table..

[Product Name]

even if you didn't already know it…

[Product Name]

I’m not sure about you..

[Product Name]

But I always used to struggle trying to capitalize on my website traffic..

[Product Name]

I felt lost.. and wasted so much time and money trying all the latest techniques and fads to get more leads for my business..

[Product Name]

..and it took me a long time to figure out what exactly i needed..

and obtain the tools
necessary for success..

[Product Name]

You work too hard to get caught up in these little things that make us lose sight of the bigger picture..

So let’s skip over the trial and error..

[Product Name]

And start getting you results today..

[Product Name]

These days I am able to generate a waterfall of leads and sales from my website traffic in just a few clicks..

[Product Name]

and maximise my profits by capturing the attention of all my visitors with beautiful, targeted offers..

[Product Name]

But before I saw any results..

[Product Name]

I spent a lot of time struggling, trying to get my business off the ground.

[Product Name]

I was constantly worried
about my next step..

[Product Name]

I was constantly afraid I would scare my visitors away by being too pushy and intrusive when asking for their email..

and I didn't know how to present my offers in a unique and impressive way that would peak their interest..

But that’s before I discovered what i’m about to share with you today..

[Product Name]

Now, there’s no doubt in my mind that

eventually you'll come to the same conclusions as me and start to implement solutions for these problems into your business..

[Product Name]

…I just want to save you from the wasted time and money and give you a point, click simple solution today..

[Product Name]

That’s why I’d like to invite you inside..

[Product Name]

[Product Name]

[product name] is a Wordpress Plugin

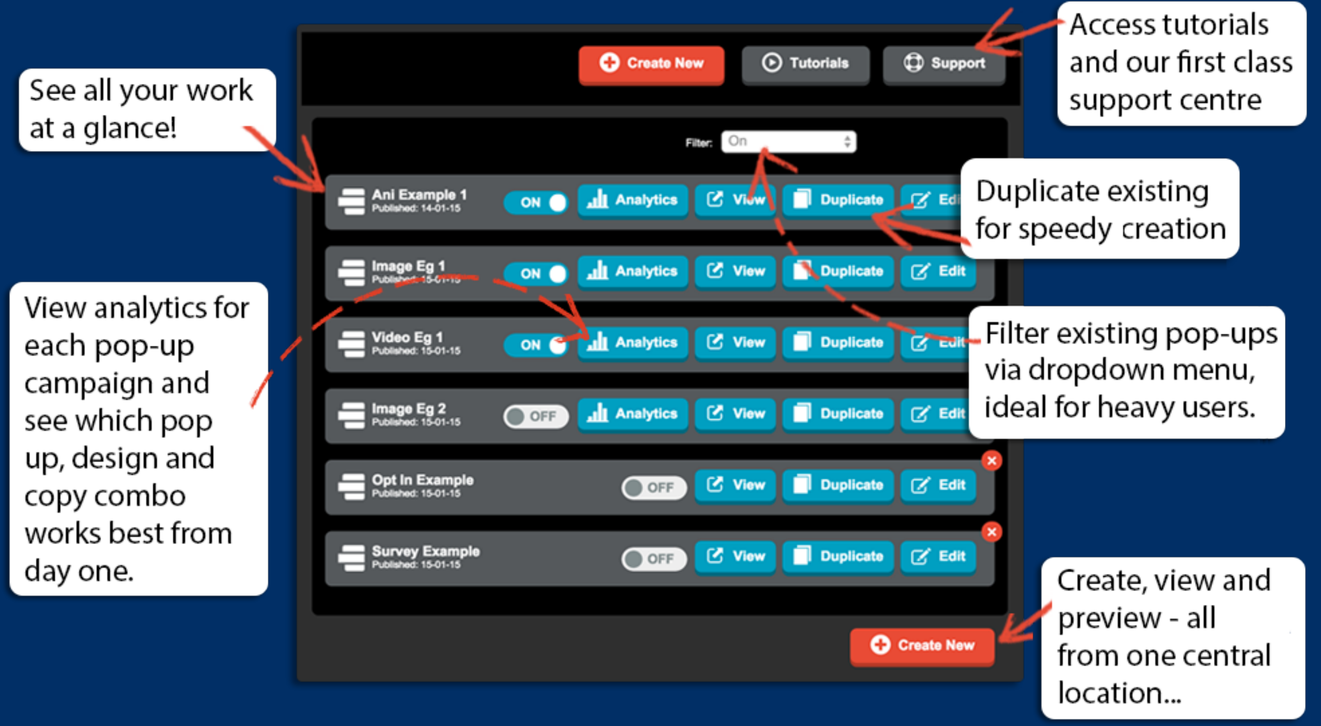

[Product Name]

That will specifically help you to boost sales, leads and conversions in your business..

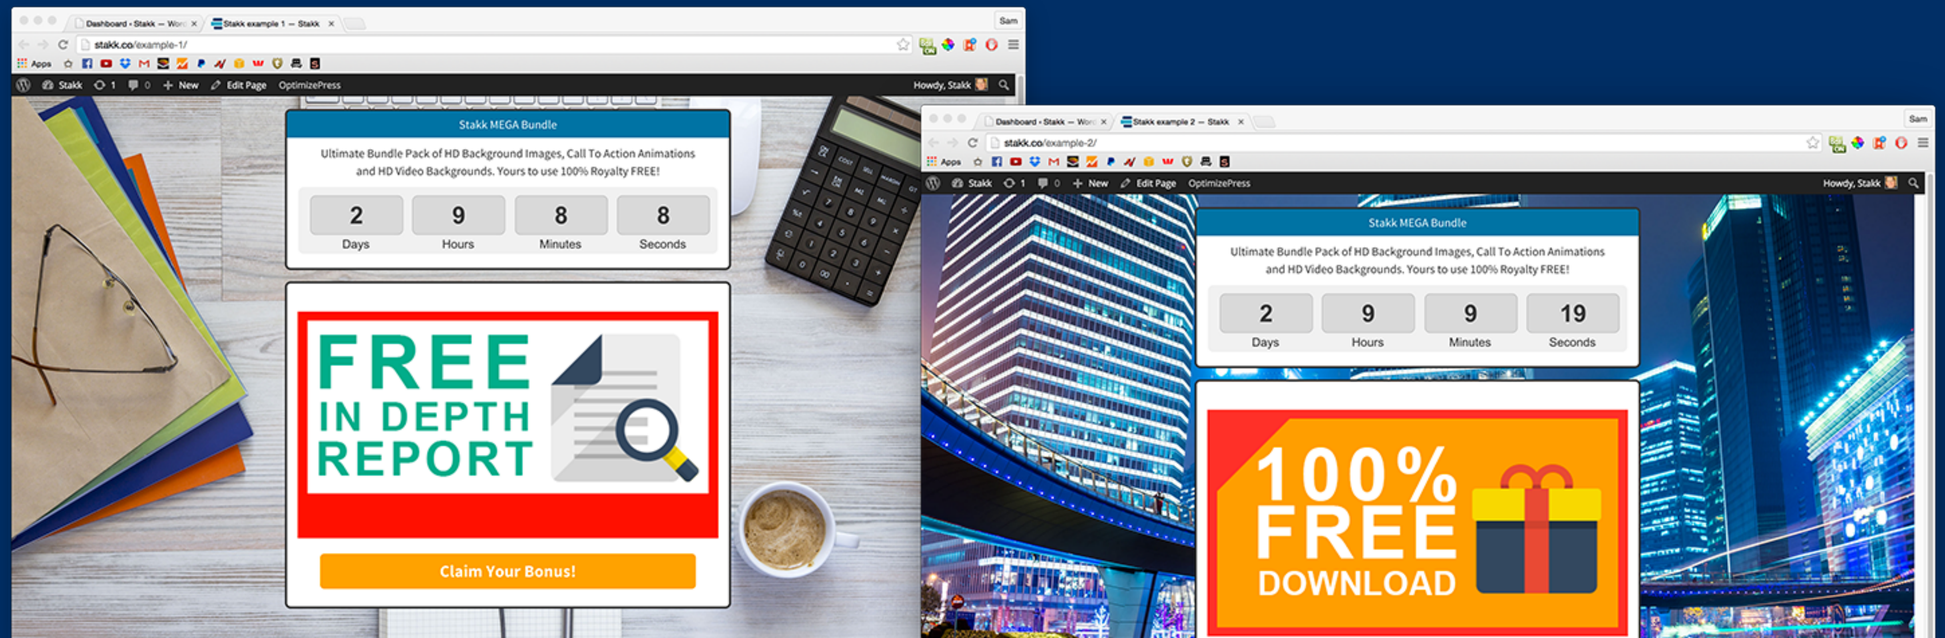

[Product Name]

By letting you easily create beautiful, full page pop-overs on any page of your website..

[Product Name]

and present dynamic, animated opt-in forms, videos, special offers, surveys and more in just a few clicks..

[Product Name]

I’ve helped many businesses
just like yours

[Product Name]

To drastically boost their bottom line with my experience and expertise..

[Product Name]

that took me years to achieve.

and all of this knowledge and skill has been packaged into this simple software solution..

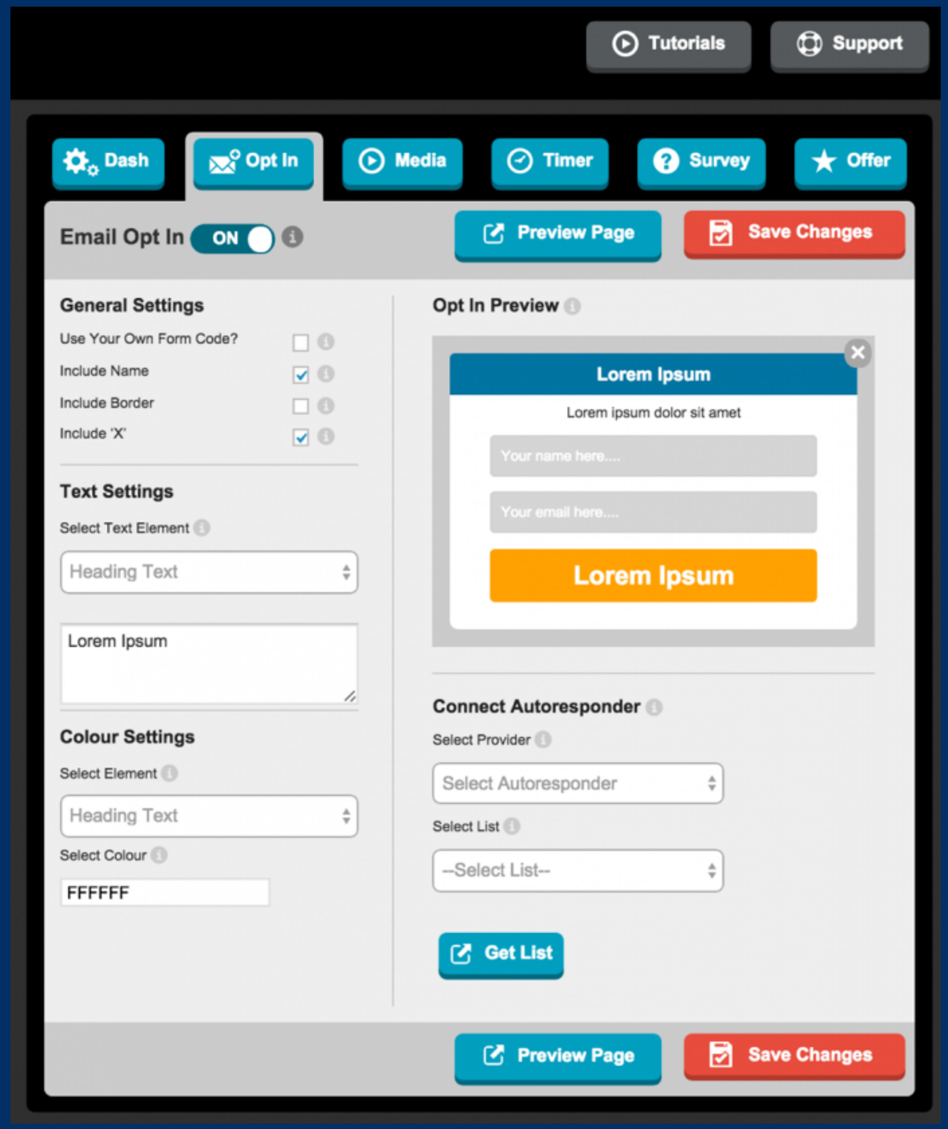

[Product Name]

Giving you the ability to easily capitalise on your website traffic and turn visitors into leads, leads into buyers and buyers into repeat customers..

Here’s just a few things the software can do for you today:

[Product Name]

One and two step opt in forms

[Product Name]

This is good for you because **you can capture new leads with ease using the micro commitment of a 2 step opt in form..**

[Product Name]

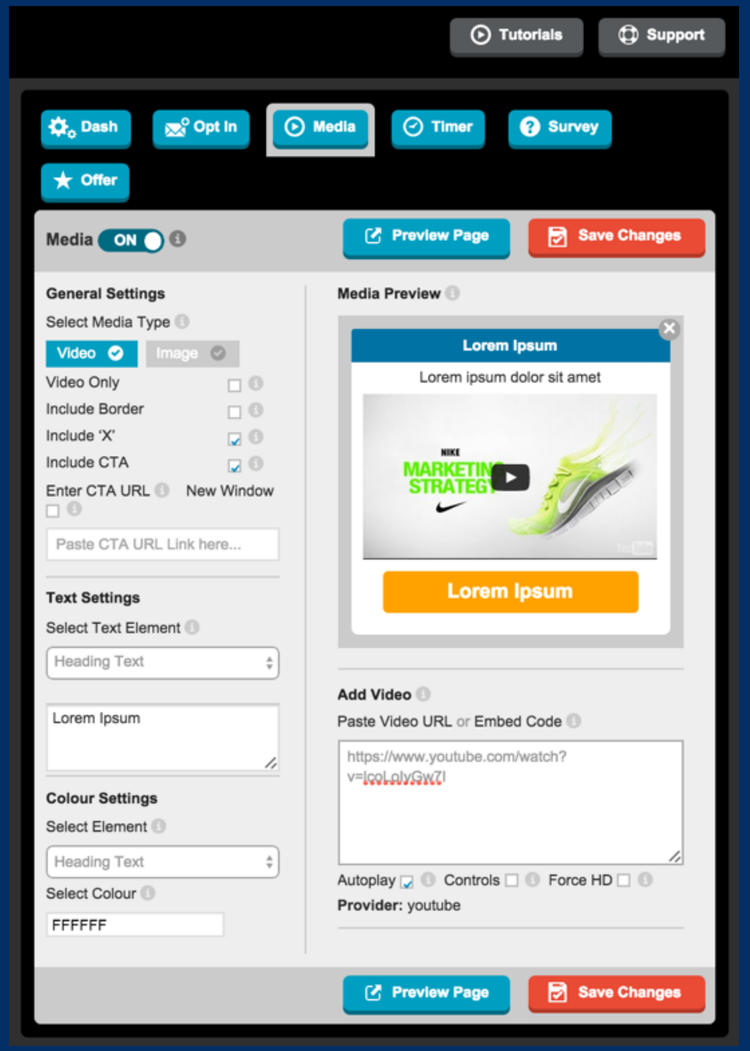

Image and Video Media Presentations..

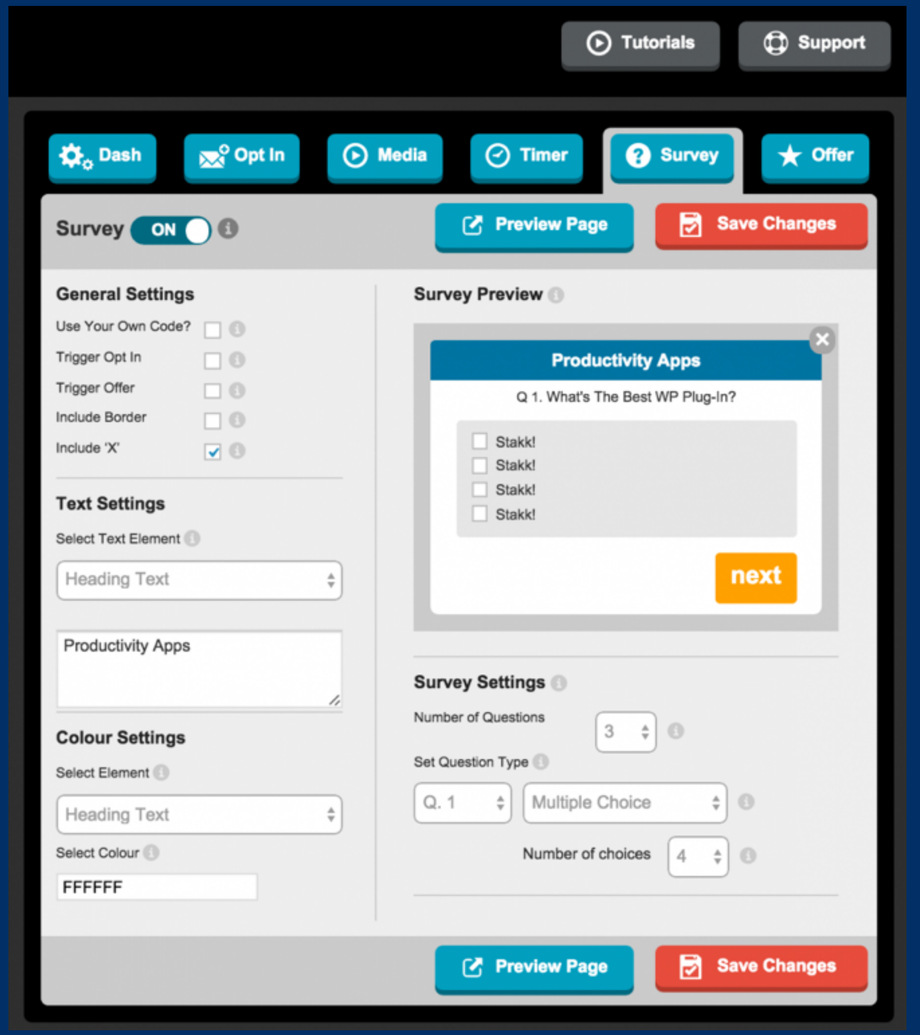

[Product Name]

This is important because you can wow your visitors with multi functional, multi media pop ups to greatly increase your conversions..

[Product Name]

Easy To Use Surveys

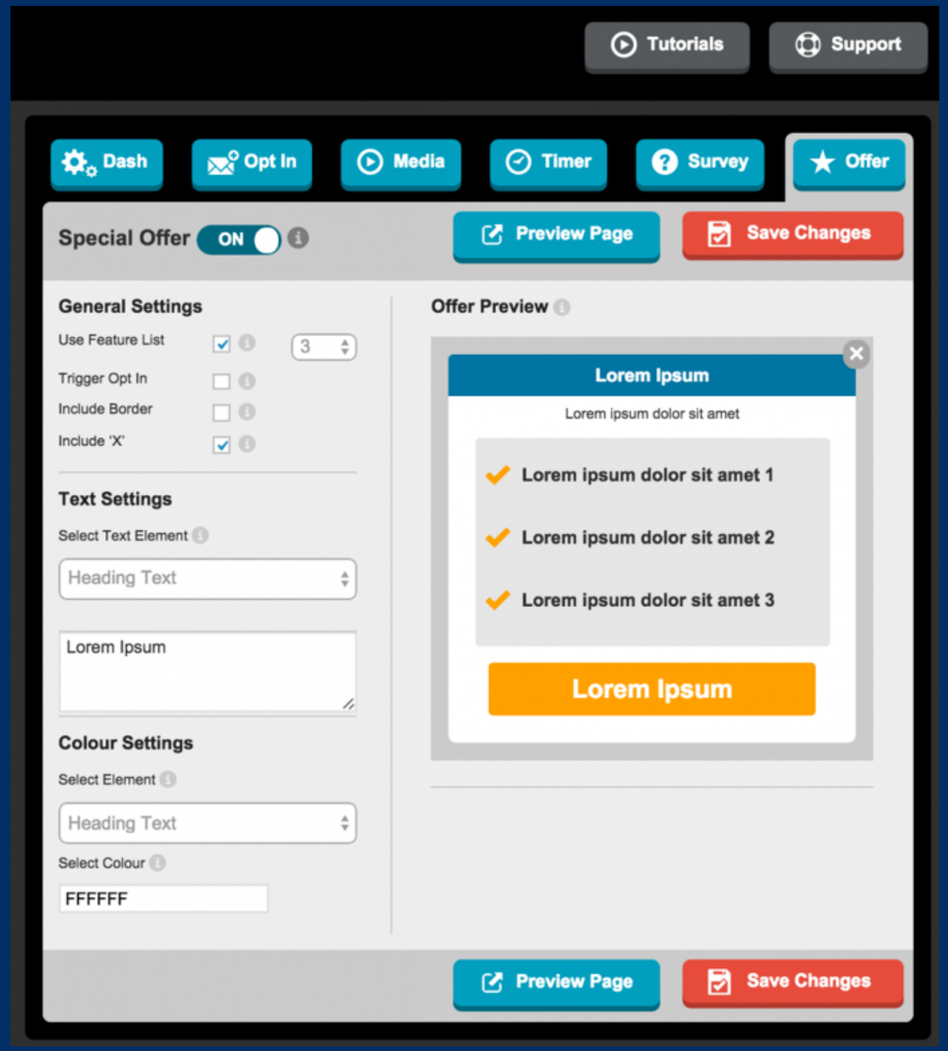

[Product Name]

This is big because you can conduct multi step surveys in just a few clicks and gather valuable market research to fine tune your business..

[Product Name]

Special Offers

[Product Name]

This is good because you can put your best offers front and centre with a crystal clear call to action

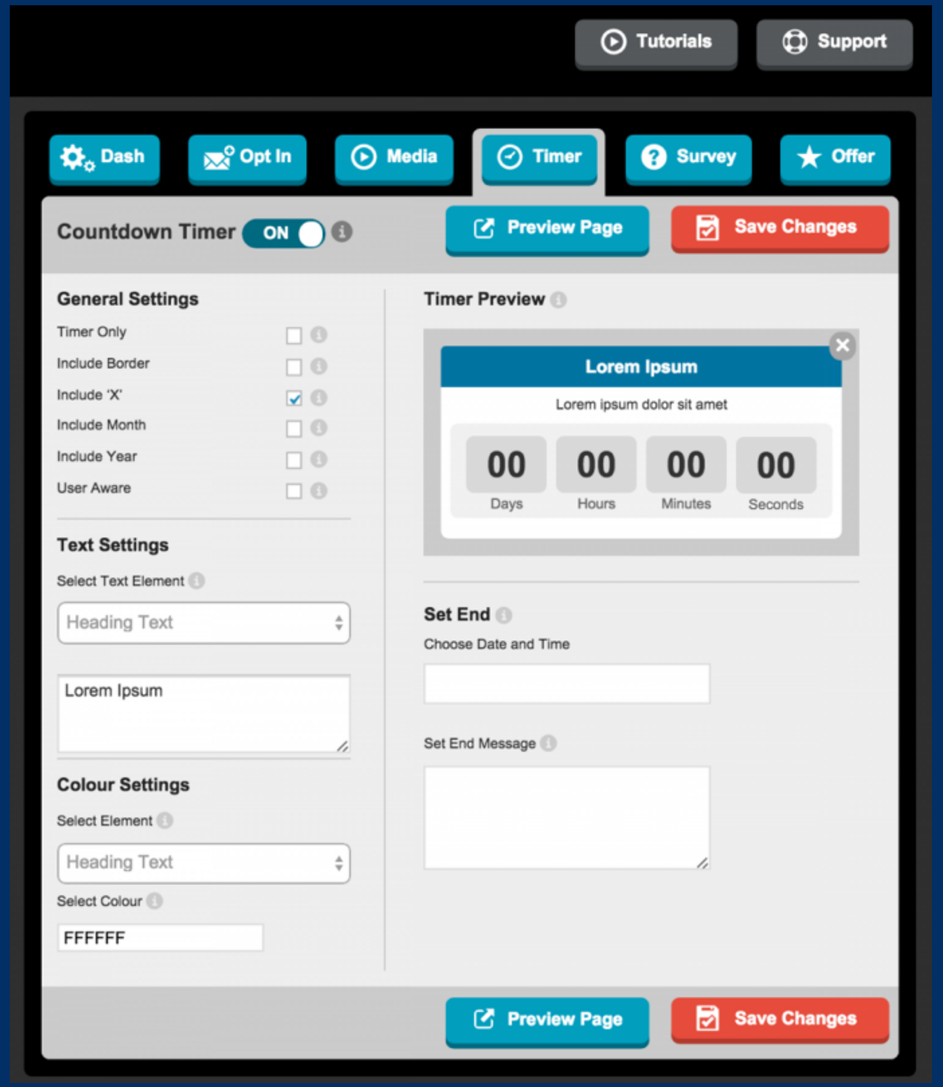

[Product Name]

to grab your visitors attention and turn them into a lead and ongoing customer..

[Product Name]

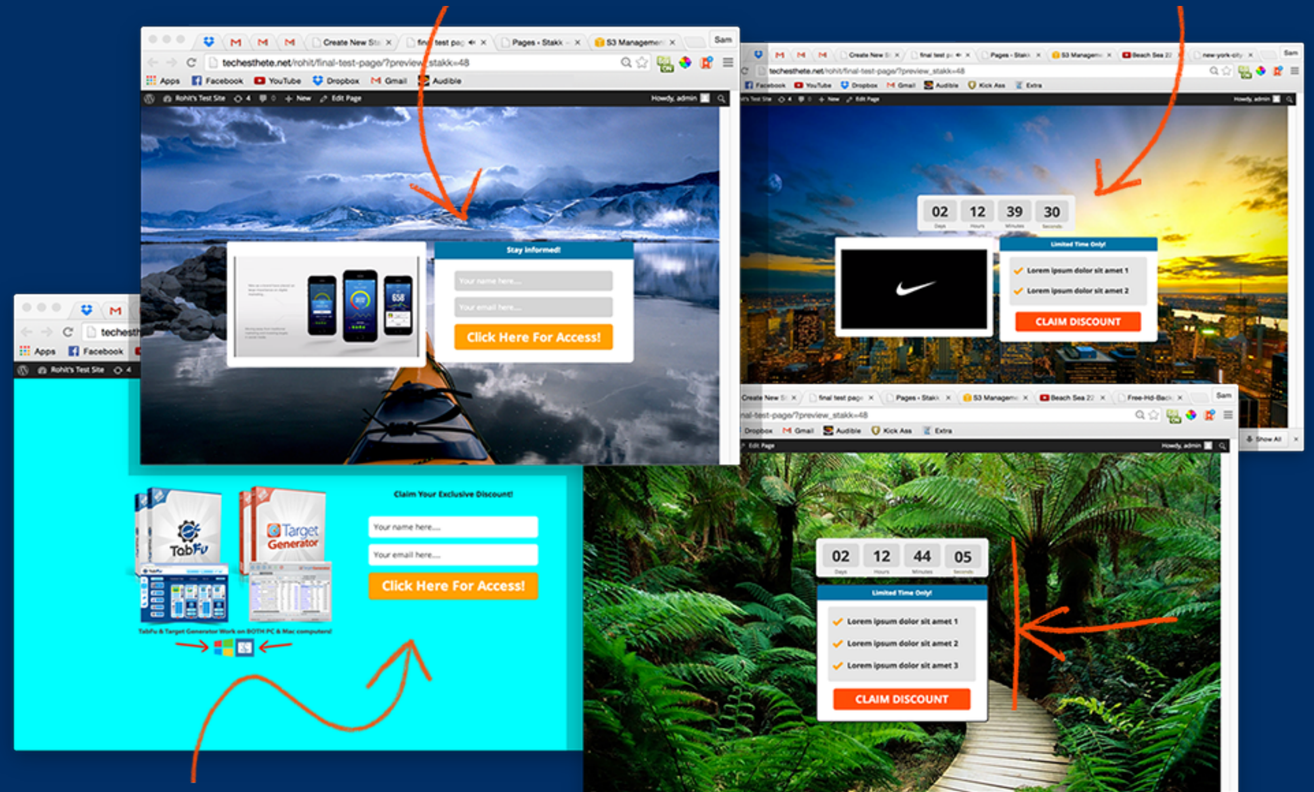

Countdown Timers - Regular & Evergreen

allowing you to create a dramatic sense of urgency in your campaigns, this scarcity will make viewers take action instantly - making you more money..

[Product Name]

[Product Name]

This is very important because you can track all your pop ups easily and know exactly whats working, allowing you to easily tweak and scale your more successful campaigns..

Now to be completely truthful with you today

[Product Name]

You could choose a different pop ups software solution..

But you’d be looking at spending at least $100

plus a lot of solutions charge much more than that and they also charge a monthly fee for access..

[Product Name]

And those softwares have only a fraction of the features of [product name].. at double or triple the cost!

Also

[Product Name]

To add even more value..

and make your shortcut
to success even faster..
